Important Update for VSD Viewer Fans - Support of VSDX and VDX Format

June 14, 2013

Today Nektony is proud to announce a next major update of VSD Viewer 5.0, the first application that enables MS Visio drawings previewing on iOS devices. The popular professional Visio viewer for iOS is globally updated for support of VSDX and VDX formats of Microsoft Visio. The update adds value to the recently released VSD Viewer v. 4.0, which extended the drawings managing capabilities: conversion to PDF, AirPrint, and Dropbox support.

Odesa, Ukraine - Today Nektony is proud to announce a next major update of VSD Viewer 5.0, the first application that enables MS Visio drawings previewing on iOS devices. Now it enables opening of MS Visio 2007 - 2013 XML formats (VSDX and VDX). The update adds value to the recently released VSD Viewer v4.0, which extended the drawings managing capabilities: conversion to PDF, AirPrint, and Dropbox support.

VSD Viewer was designed as a program for professional use. The current improvements were focused on developing qualitative support of VSD file format, including deep features as layers, metafiles, OLE objects, tabulated texts, and other inherent elements of the professional drawings. The current update delivers the possibility to view the XML Visio drawings with the same high-level quality.

VSD Viewer designed to help iPad and iPhone users quickly and easily share and communicate Visio drawings. The team of Nektony works hard to provide business professionals with a great product and support experience. Identifying and meeting real user needs is the number one priority for the company. Acquiring and continuously updating knowledge about user requirements drive the approach toward VSD Viewer improvement.

Device Requirements:

* iPhone 3GS/4/4S/5, iPod touch (3rd/4th/5th generation), and iPad

* Requires iOS 6.0 or later

* Universal app optimized for display on all iOS devices

* 5.7 MB

Pricing and Availability:

VSD Viewer 5.0 is $9.99 USD (or equivalent amount in other currencies) and available worldwide exclusively through the App Store in the Business category.
