

App Cleaner & Uninstaller Wins Prestigious Red Dot Award 2023

Odesa, Ukraine – November 3, 2023 – Nektony is excited to announce that its popular software, App Cleaner & Uninstaller, has been recognized with the prestigious Red Dot Award 2023 in the Design & Communication category. This coveted award is a testament to the app's outstanding design, functionality, and user experience.

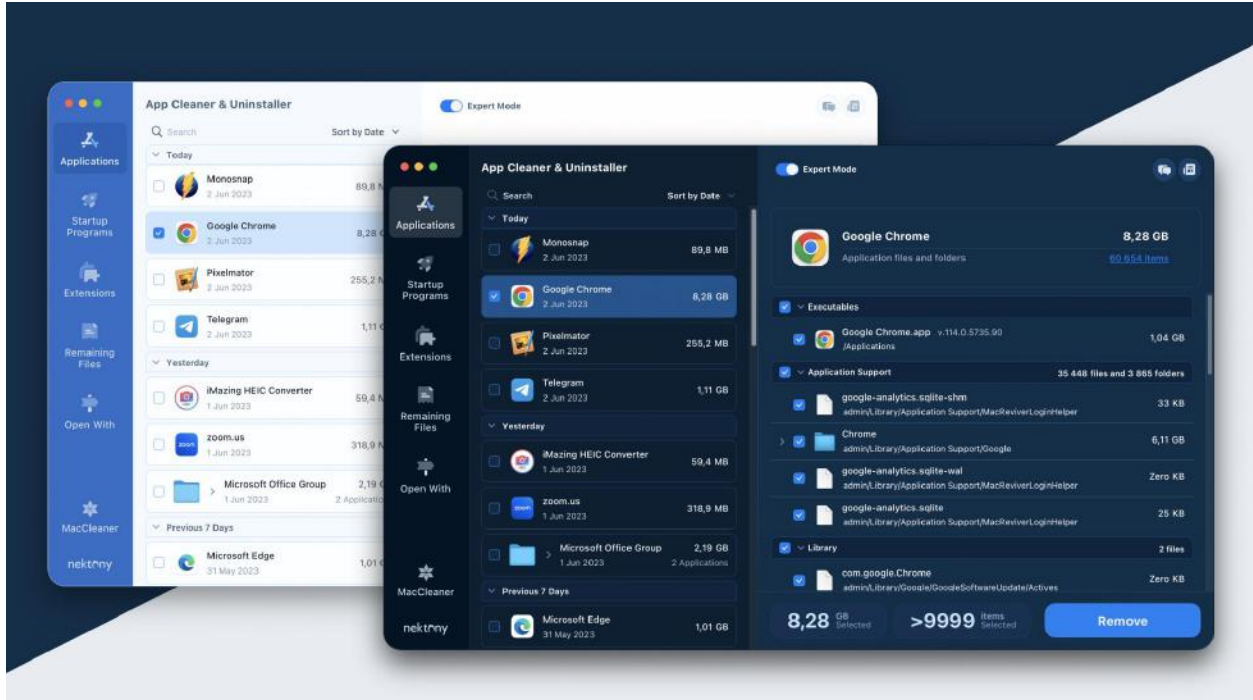

About Red Dot Award

Established in 1955, the Red Dot Award is a globally renowned distinction for design excellence. It encompasses three disciplines: product design, communication design, and design concepts. The award is evaluated by an international jury of experts who meticulously assess each entry based on stringent criteria, including innovation, functionality, quality, aesthetics, and sustainability.

About App Cleaner & Uninstaller

App Cleaner & Uninstaller earned the Red Dot Jury's admiration for its intuitive interface, seamless user experience, and overall design excellence.

App Cleaner & Uninstaller was launched in 2015, pioneering the concept of thoroughly removing all traces of deleted apps, a feature that has garnered widespread acclaim from Mac users. The app's simple, elegant design makes it effortless to navigate and comprehend, providing users with a clear overview of app sizes, leftover files, extension counts, and potential disk space savings.

App Cleaner & Uninstaller stands as a prime example of how thoughtful design can elevate user satisfaction and overall product value. With its intuitive interface, comprehensive functionality, and award-winning design, App Cleaner & Uninstaller remains the go-to choice for Mac users seeking a streamlined and efficient way to manage their applications and maintain a clean, organized system.
